3. **Basis of Sale**

- 3.1 These Conditions apply to the Contract to the exclusion of any other terms that the Buyer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.
- 3.2 The order constitutes an offer by the Buyer to purchase the Goods in accordance with these Conditions. The Buyer is responsible for ensuring that the terms of the order are complete and accurate.
- 3.3 The Seller’s employees or agents are not authorised to make any representations concerning the Goods unless confirmed by the Seller in writing. In entering into the Contract the Buyer acknowledges that it does not rely on, and waives any claim for breach of, any such representations which are not so confirmed.
- 3.4 No variation to these Conditions shall be binding unless agreed in writing between the authorised representatives of the Buyer and the Seller.

- 3.5 Sales literature, price lists and other documents issued by the Seller in relation to the Goods are subject to alteration without notice and do not constitute offers to sell the Goods which are capable of acceptance. No contract for the sale of the Goods shall be binding on the Seller unless the Seller has accepted an order placed by the Buyer or on behalf of the Buyer
- 3.6 Any typographical, clerical or other accidental errors or omissions in any sales literature, quotation, price list, acceptance of offer, invoice or other document or information issued by the Seller shall be subject to correction without any liability on the part of the Seller.

4. **Orders and Specifications**

- 4.1 No order submitted by the Buyer shall be deemed to be accepted by the Seller until the Seller issues an order number.
- 4.2 The specification for the Goods shall be that set out in the Seller's sales documentation unless varied expressly in the Buyer's order (if such variation(s) is/are accepted by the Seller). The Goods will only be supplied in the minimum units thereof stated in the Seller's price list or in multiples of those units. Orders received for quantities other than these will be adjusted accordingly.
- 4.3 Illustrations, photographs or descriptions whether in catalogues, brochures, price lists or other documents issued by the Seller are intended as a guide only and shall not be binding on the Seller.
- 4.4 The Seller reserves the right to make any changes in the specification of the Goods which are required to conform with any applicable safety or other statutory or regulatory requirements or, where the Goods are to be supplied to the Buyer's specification, which do not materially affect their quality or performance.
- 4.5 No order which has been accepted by the Seller may be cancelled by the Buyer except with the agreement in writing of the Seller on the terms that the Buyer shall indemnify the Seller in full against all loss (including loss of profit), costs (including the cost of all labour and materials used), damages, charges and expenses incurred by the Seller as a result of such cancellation.
- 4.6 Where the Seller agrees to supply stock that is in any way specific to the Buyer, rather than being in all respects the same as product sold generally by the Seller, then the Buyer will provide the Seller with a commitment to the quantity of each item that the Buyer will buy from the Seller, and the price at which each item will be bought, over the period of time specified by the Buyer, and the rate at which the Buyer expects to draw down the stock. Once final agreement on this has been reached the Seller will then hold stock sufficient to cover the Buyer's aforesaid requirements. The Buyer will then be under a legally binding obligation to buy those items from the Seller in the time period specified at the prices as above. Should the Buyer default on this, the Buyer will be liable to the Seller in respect of all direct and consequential losses suffered by the Seller (including loss of profit) in respect of the goods not taken under this agreement.
- 4.7 Alternatively the Buyer may require the Seller to maintain specified stock levels of specified items for the Buyer to draw off by a succession of orders on an ongoing basis. In this event the Buyer must give to the Seller three months' notice of any

intention to discontinue any of the specified items and must purchase from the Seller all stock held by the Seller at the date of notification, and/or all stock on order by the Seller to their supplier at that date, up to the specified stock levels previously advised to the Seller as above.

- 4.8 Where the Seller supplies goods to the Buyer, who has formally accepted a sample of the goods as being in all respects the product and packaging that the Buyer requires, and the goods supplied by the Seller conform to that sample, then the Buyer is under a legal obligation to accept and pay for the goods he or she has so ordered at the agreed prices and times.

5. **Price**

- 5.1 The price of the Goods shall be the price listed in the Seller's relevant price list current at the date of acceptance of the Buyer's order, or such other price as may be agreed in writing by the Seller and the Buyer.
- 5.2 Where the Seller has quoted a price for the Goods other than in accordance with the Seller's published price list the price quoted shall be valid for 30 days only or such lesser or greater time as the Seller may specify.
- 5.3 The Seller reserves the right, by giving written notice to the Buyer at any time before delivery, to increase the price of the Goods to reflect any increase in the cost to the Seller which is due to any factor beyond the control of the Seller (including, without limitation, any foreign exchange fluctuation, currency regulation, alteration of duties, significant increase in the costs of labour, materials or other costs of manufacture), any change in delivery dates, quantities or specifications for the Goods which are requested by the Buyer, or any delay caused by any instructions of the Buyer or failure of the Buyer to give the Seller adequate information or instructions.
- 5.4 Any settlement discount specified by the Seller in the Contract will be allowed by the Seller to the Buyer in respect of Goods for which payment is received by the Seller on or before the due date and otherwise in accordance with the payment terms set out in these Terms and Conditions and provided that no other amounts owing by the Buyer to the Seller are overdue and unpaid.
- 5.5 Except as otherwise stated under the terms of any quotation or in any price list of the Seller, and unless otherwise agreed in writing between the Buyer and the Seller, all prices are inclusive of the Seller's charges for packaging and transport, subject to the Buyer's order value reaching the net goods value excluding VAT specified by the Seller for buyers in the category to which the instant Buyer belongs
- 5.6 The price is exclusive of any applicable value added tax, excise, sales taxes or levies of a similar nature which are imposed or charged by any competent fiscal authority in respect of the Goods, which the Buyer shall be additionally liable to pay to the Seller.

6. **Payment**

- 6.1 Subject to any special terms agreed in writing between the Buyer and the Seller, the Seller shall invoice the Buyer for the price of the Goods at the date when the Goods are dispatched, unless the Goods are to be collected by the Buyer or the Buyer wrongfully fails to take delivery of the Goods, in which event the Seller shall be entitled to invoice the Buyer for the price at any time after the Seller has

notified the Buyer that the Goods are ready for collection or (as the case may be) the Seller has tendered delivery of the Goods.

- 6.2 The Buyer shall pay the price of the Goods plus VAT as shown on the Seller's invoice (less any discount or credit allowed by the Seller, but without any other deduction credit or set off) on or before the last Business Day of the month following the month in which the Seller's invoice was raised or otherwise in accordance with such credit terms as may have been agreed in writing between the Buyer and the Seller in respect of the Contract. Payment shall be made on the due date notwithstanding that delivery may not have taken place and/or that the property in the Goods has not passed to the Buyer. The time for the payment of the price shall be of the essence of the Contract. Receipts for payment will be issued only upon request.
- 6.3 All payments shall be made to the Seller as indicated on the form of acceptance or invoice issued by the Seller.
- 6.4 The Seller is not obliged to accept orders from any customer or buyer who has not supplied the Seller with references satisfactory to the Seller. If at any time the Seller is not satisfied as to the creditworthiness of the Buyer it may give notice in writing to the Buyer that no further credit will be allowed to the Buyer in which event no further goods will be delivered to the Buyer other than against cash payment and notwithstanding sub-Clause 6.2 of these conditions, all amounts owing by the Buyer to the Seller shall be immediately payable in cash.
- 6.5 If the Buyer fails to make any payment due to the Seller under the Contract by the due date for payment, then the Buyer shall pay interest on the overdue amount at the rate of 4% per annum above Barclays Bank's base rate from time to time. Such interest shall accrue on a daily basis from the due date until actual payment of the overdue amount, whether before or after judgment. The Buyer shall pay the interest together with the overdue amount.
- 6.6 The Buyer shall pay all amounts due under the Contract in full without any set-off, counterclaim, deduction or withholding (except for any deduction or withholding required by law). The Seller may at any time, without limiting any other rights or remedies it may have, set off any amount owing to it by the Buyer against any amount payable by the Seller to the Buyer.

7. **Delivery**

- 7.1 Delivery of the Goods shall be made by the Seller delivering the Goods to the place specified in the Buyer's order and/or the Seller's acceptance as the location to which the Goods are to be delivered by the Seller ("Delivery Location") or, if no place of delivery is so specified, by the Buyer collecting the Goods at the Seller's premises at any time after the Seller has notified the Buyer that the Goods are ready for collection.
- 7.2 Delivery is completed on the completion of unloading of the Goods at the Delivery Location.
- 7.3 The Delivery Date is approximate only and time for delivery shall not be of the essence unless previously agreed by the Seller in writing. The Goods may be delivered by the Seller in advance of the Delivery Date upon giving reasonable notice to the Buyer.

- 7.4 The Seller shall not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event or the Buyer's failure to provide the Seller with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.
- 7.5 Where the Goods are to be delivered in instalments, each delivery shall constitute a separate contract and failure by the Seller to deliver any one or more of the instalments in accordance with these Terms and Conditions or any claim by the Buyer in respect of any one or more instalments shall not entitle the Buyer to treat the Contract as a whole as repudiated.
- 7.6 If the Buyer fails to take delivery of the Goods or any part of them on the Delivery Date and/or fails to provide any instructions, documents, licences, consents or authorisations required to enable the Goods to be delivered on that date, the Seller shall be entitled upon giving written notice to the Buyer to store or arrange for the storage of the Goods and then notwithstanding the provisions of sub-Clause 10.1 risk in the Goods shall pass to the Buyer, delivery shall be deemed to have taken place and the Buyer shall pay to the Seller all costs and expenses including storage and insurance charges arising from such failure.

8. Non-Delivery

- 8.1 If the Seller fails to deliver the Goods or any part thereof on the Delivery Date other than for reasons outside the Seller's reasonable control or the Buyer's or its carrier's fault:
- 8.1.1 if the Seller delivers the Goods within 30 Business Days thereafter, or such time as is agreed between the Buyer and the seller in writing, the Seller shall have no liability in respect of such late delivery; or
- 8.1.2 if the Buyer gives written notice to the Seller within ten Business Days after the Delivery Date and the Seller fails to deliver the Goods within thirty Business Days after receiving such notice the Buyer may cancel the order and the Seller's liability shall be limited to the excess (if any) of the cost to the Buyer (in the cheapest available market) of similar goods to those not delivered over the price of the Goods not delivered.
- 8.2 If the Buyer fails to take or accept delivery of the Goods within three Business Days of the Seller notifying the Buyer that the Goods are ready, then, except where such failure or delay is caused by a Force Majeure Event or the Seller's failure to with its obligations under the Contract:
- 8.2.1 delivery of the Goods shall be deemed to have been completed at 9.00 am on the third Business Day after the day on which the Seller notified the Buyer that the Goods were ready; and
- 8.2.2 the Seller shall store the Goods until delivery takes place, and charge the Buyer for all related costs and expenses (including insurance).

9. Inspection/Shortage/Customer returns

- 9.1 The Buyer is under a duty whenever possible to inspect the Goods on delivery or on collection as the case may be.
- 9.2 Where the Goods cannot be examined the carrier's note or such other note as

appropriate shall be marked “unchecked”. The Seller shall be under no liability for any damage or shortages that would be apparent on reasonable careful inspection if the provisions of this Clause 9 are not complied with and, in any event, will be under no liability if a written complaint is not delivered to the Seller within five Business Days of delivery detailing the alleged damage or shortage. This written complaint is to be in the format required by the Seller and shall include photographic evidence of any damage as required on the Seller’s credit request form.

- 9.3 In all cases where defects or shortages are complained of the Seller shall be under no liability in respect thereof unless an opportunity to inspect the Goods is supplied to the Seller before any use is made thereof or any alteration or modification is made thereto by the Buyer.
- 9.4 Subject to sub-Clauses 9.3 and 9.4, the Seller shall make good any shortage in the Goods and where appropriate replace any Goods damaged in transit as soon as it is reasonable to do so, or issue a credit note to the Buyer to the net goods value of the shortage or damage sustained by the Buyer, but otherwise shall be under no liability whatsoever arising from such shortage or damage.
- 9.5 Where a customer of the Buyer returns goods to the Buyer after purchase on the basis that they are faulty or damaged, the Seller, as an addition to the other terms and conditions herein contained, may, at its discretion, refund the cost of the goods to the Buyer, as shown in the invoice for those goods from the Seller to the Buyer, in the following circumstances:
 1. The goods must be returned to the Buyer by his/her customer within 30 days of their purchase from the Buyer
 2. In respect of goods returned to the Buyer beyond this time, the Seller will only refund the cost as above where there is clear evidence of a manufacturing defect.

In all cases, when claiming from the Seller, the Buyer must use the Seller’s prescribed credit claim form and submit to the Seller a copy of the proof of the purchase of the goods from the Buyer, a clear statement of the reason for the return of the goods, and a photograph or photographs to validate the reason given. In all cases, fair wear and tear, accidental damage, and use for a purpose other than the primary purpose intended for the goods will result in a refusal of the claim by the Seller.
